## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of  
Katy ISD Education Foundation, Inc.

### Report on the Audit of the Financial Statements

#### *Opinion*

We have audited the financial statements of Katy ISD Education Foundation, Inc. ("the Foundation"), which comprise the statements of financial position as of August 31, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as of August 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

To the Board of Directors of  
Katy ISD Education Foundation, Inc.

### **Auditor’s Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation’s internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **KATY ISD EDUCATION FOUNDATION, INC.**

### **NOTES TO THE FINANCIAL STATEMENTS**

#### **A. Basis of Accounting and Summary of Significant Accounting Policies**

The Katy ISD Education Foundation, Inc. (the "Foundation") was established in May of 2011, for the purpose of receiving and disbursing funds, property, and gifts exclusively for the benefit of the Katy Independent School District (the "District"). Federal non-profit status was achieved in October of 2011. The fiscal year ended August 31, 2013 was considered the Foundation's first year of operations.

The Foundation maintains its records and prepares its financial statements on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

On August 18, 2016 FASB issued Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return.

As of September 1, 2020, the Foundation prepared its financial statements in accordance with ASU 2016-14 *Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities*. Under ASC 958, the Foundation has reported its net assets with and without donor restrictions.

In addition, the Foundation is required by FASB ASC 958-205-45-4 to present a statement of cash flows.

#### **Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results may differ from those estimates.

#### **Contributions**

Contributions received including pledges to give are recorded as net assets without donor restrictions or net assets with donor restrictions depending on the existence and nature of any donor restrictions. The Foundation had only contributions without donor restrictions in its initial fiscal period. Contributions with donor restrictions whose restrictions are met in the same reporting period are recorded as contributions without donor restrictions.

If received, all other support with donor restrictions will be reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions will be reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

### **NOTES TO THE FINANCIAL STATEMENTS**

#### **A. Basis of Accounting and Summary of Significant Accounting Policies (continued)**

##### **Functional Allocation of Expenses**

Functional expenses for management, general, and other fundraising are not allocated to program services.

##### **Cash and Cash Equivalents**

Cash and cash equivalents consist of cash held in demand deposit accounts. The carrying value of cash and cash equivalents approximates fair value because of the short immediate maturities of those financial instruments.

##### **Investments**

The Foundation's investments consist of money market mutual funds, fixed income exchange traded funds ("ETFs"), and equity ETFs. The investments of the Foundation are reported at fair value based on the hierarchy established by generally accepted accounting principles. The fair value hierarchy, which has three levels, is based on the valuation inputs used to measure an asset's fair value: Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; level 3 inputs are significant unobservable inputs. Currently, all of the Foundation's investments are measured using level 1 inputs.

##### **Promises to Give - Pledges Receivable**

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses, depending on the form of the benefit received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

##### **Funding of Grants Awarded to Other Organizations**

Grants are funded based on spending requests up to the balance of the grant award. Unclaimed balances of grants awarded by the Foundation are then allocated back to available funding for the subsequent years' grants. Grant reallocations to the subsequent year are recorded in the spring for the next school year.

##### **Special Events Contributions**

Special events contributions include both underwriting receipts and fees charged to attendees.

##### **In-Kind Contributions**

The Foundation received donated services from the District. The costs included salary allocations, materials, and facility use costs. Services that create non-financial assets or that would typically need to be purchased by the Foundation, or services that require specialized skills which are provided by individuals with those service skills are recognized as contributions and are either capitalized or expensed depending on the nature of the services provided. The value of other contributed time is not reflected in the accompanying financial statements, as the nature of the services do not meet the guidelines for recognition established by U. S. generally accepted accounting principles.

##### **Advertising**

The Foundation uses advertising to promote its programs to the public. The production costs of advertising and public relations are expensed as incurred.

## **KATY ISD EDUCATION FOUNDATION, INC.**

### **NOTES TO THE FINANCIAL STATEMENTS**

#### **A. Basis of Accounting and Summary of Significant Accounting Policies (continued)**

##### **Fair Value of Financial Instruments**

GAAP requires disclosure of an estimate of fair value of certain financial instruments. The Foundation's significant financial instruments are cash and cash equivalents and investments and pledges receivable. For these financial instruments, carrying value approximates fair value.

##### **Income Tax Status**

The Internal Revenue Service has determined that the Foundation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

#### **B. Cash and Cash Equivalents and Investments**

The Foundation has one demand account and two money market accounts at an area financial institution. These balances are partially insured by the Federal Deposit Insurance Corporation ("FDIC"). The Foundation invested in the Local Government Investment Pool, TexPool, during the year. TexPool is a public investment pools established pursuant to the Interlocal Cooperation Act and Public Investment Act of Texas. The pool is considered to be "2 A-7 like pools" under GASB Statement No.31. The Foundation's investment pools with TexPool is valued and reported at amortized cost, which approximates fair value. The investment pool is not evidenced by securities that exist in physical or book entry form and, accordingly, do not have custodial risk. The Foundation considers these to be cash equivalents.

TexPool policies require that local government deposits be used to purchase investments authorized by the Public Funds Investment Act of 1987, as amended. Oversight responsibility for TexPool is provided by the Texas State Comptroller of Public Accounts.

In accordance with GASB No. 79, the Local Government Investment Pool does not have any limitations and restrictions on withdrawals such as notice periods or maximum transaction amounts. These pools do not impose any liquidity fees or redemption gates.

TexPool has a weighted average maturity of 36 days at August 31, 2024.

The Foundation's investments in mutual funds consists of a portfolio of investments in various exchange traded funds (ETF). The Foundation's ETF balances are valued using the Level 1 valuation method with quoted prices in active markets for identical assets that can be accessed at the measurement date.

The Foundation places its cash and cash equivalents with high credit quality financial institutions. Deposits with these financial institutions may exceed the amount of insurance provided on such deposits during the year. The Foundation monitors the stability of these institutions to ensure that the risk of loss of any uninsured amounts would be noted on a timely basis. The Foundation has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk to cash.

**D. Pledges Receivable**

Due to the short-term nature of the pledges receivable and the fact that the discount amount would be immaterial, the pledges receivable due in over one year have not been discounted to their present value.

Pledges receivable consisted of the following at August 31:

	<u>2024</u>	<u>2023</u>
Due in 1 Year	\$ -	\$ 5,634
Due in 1-5 Years	-	-

**E. Grants Payable**

Grants payable are due within one year and are considered at fair value of the amount to be paid. Grants payable at August 31, 2024 and 2023 are \$842,911 and \$706,004, respectively.

**KATY ISD EDUCATION FOUNDATION, INC.**

**NOTES TO THE FINANCIAL STATEMENTS**
